

## **HSKK 3 Speaking Test (Primary Level)**

### **Level Description**

The HSKK Basic Speaking Test assesses the extent to which candidates are able to express themselves in Chinese. This level corresponds to Levels I and II of the *Chinese Language Proficiency Scales for Speakers of Other Languages* and to Level A of the *Common European Framework of Reference for Languages (CEFR)*.

Candidates who successfully pass the HSKK Basic Speaking Test are able to understand and use familiar expressions encountered in everyday life and meet basic communication needs.

### **Who Is This Test Recommended For?**

The HSKK Basic Speaking Test is primarily intended for candidates taking the HSK Level 3 exam.

Candidates should be able to understand and use approximately 1,000 commonly used Chinese words and should be able to express themselves simply and directly on familiar topics.

## **Test Description**

The HSKK Basic Speaking Test consists of three sections, with a total of 15 tasks. The test takes 15 minutes in total, including 6 minutes of preparation time. The actual response time is 9 minutes.

| <b>Exam</b> |                      | <b>Questions</b> |
|-------------|----------------------|------------------|
| Part 1      | Listen and repeat    | 8                |
| Part 2      | Picture discription  | 5                |
| Part 3      | Answer the questions | 2                |
| Total       |                      | 15               |

The maximum score is 100 points, and a minimum score of 60 points is required to pass the test.

The results of the HSKK Basic Speaking Test are valid for two years from the date of the examination.
