

HSKK Level 6 (Advanced) Speaking Test

Level Description

The HSK Level 6 Speaking Test primarily assesses candidates' ability to communicate fluently and effectively in professional, academic, and general specialized contexts. Candidates are expected to master approximately 5,400 vocabulary items and be able to express complex ideas, engage in in-depth discussions, and demonstrate a high level of language proficiency, as well as strong independent learning and language integration skills.

Candidate Description

The HSK Level 6 Speaking Test is primarily intended for candidates taking the HSK Level 6 examination.

Test Structure

The HSKK Advanced Oral Examination consists of three parts with a total of five tasks. The entire examination takes 23 minutes, including 10 minutes of preparation time. The actual response time is 13 minutes.

Exam		Questions
Part 1	Listen and repeat	2
Part 2	Picture discription	1
Part 3	Answer the questions	2
Total		5

The maximum score is 100 points, and a minimum score of 60 points is required to pass the examination. The result of the HSKK Advanced Oral Examination is valid for two years from the date of the examination.
